Report of Principal and School Improvement Council

Westview Middle School began the 2008-2009 school year in the midst of an immense renovation project. Administrators, parents, students and teachers were excited that the architectural drawings became reality as project managers and construction workers worked diligently to transform our school into a state of the art facility.

As Westview Middle School endured the numerous challenges that renovation brought, students continued to excel in the academics, the arts, athletics and extracurricular activities. Our students consistently demonstrated mastery of rigorous academic standards in a safe and nurturing learning environment, and have shown gains in all areas tested on the Measures of Academic Progress (MAP). Thirty-eight of our eighth grade students qualified as Junior Scholars and nine seventh grade students were identified as Duke Tip Scholars. Thirty-six percent of our eligible students took courses for high school credit. Our students successfully competed in academic challenges such as the Wando High School Math competition, the Berkeley County School District and Low Country Spellbound competitions, the Lieutenant Governor's Writing contest, Lego League, Beta and Quest competitions. Elective area courses such as Spanish I and Keyboarding for high school credit, Gateway to Technology and Advanced Multi-media were available to our students during the 2008-2009 school year.

Westview Middle School students demonstrated excellence in the performing arts. Our band and orchestra students received superior ratings at the South Carolina Concert Festival. Additionally, our school proudly boasts: 28 All County Band participants; 15 Regional Band participants; 15 All County Beginner Band participants; 20 All County Chorus participants; 12 All County Orchestra participants; and, 2 All State Orchestra participants.

Westview Middle School's staff participated in an accumulation of ongoing professional development opportunities in order to meet the needs of our students. Westview Middle School is recognized as a Making Middle Grades Work (MMGW) site and a Professional Learning Community (PLC). We use these research based models to implement positive changes in our school. Our talented and dedicated faculty works collaboratively in curriculum teams to improve teaching and student learning.

At Westview Middle School, we recognize the importance of having high expectations and a rigorous academic program, using data to make informed decisions about curriculum and instruction, and establishing positive teacher-student relationships to improve learning in a safe and supportive environment. We invite you to visit our school to see the good things that are happening, and to become involved in ensuring the success of all our students.
